Brouder and C. C. Bunde.

The reports of the Grand Chief Ranger, Grand Treasurer and Grand Secretary were then read. Resolutions of sympathy on Governor Lilley's death and on the death of Patronizing Secretary Joseph H. Lutz of New Britain were adopted. The afternoon which began at 2:30, was devoted to the reports of the several committees and the discussion of routine matters. A banquet will be held at the Turner House at 6:30 which will be followed by street parade at 7:30. The convention will all be held to-night in Foresters' Hall.

The convention will close to-morrow morning at which time the election of officers will be held. As it has always been the custom for the Grand Sub-Chief Ranger to succeed the Grand Chief Ranger, the report of the Grand Sub-Chief Ranger, who holds this office will in all probability, be elected.

Grand Chief Ranger James C. Roach of Wallingford, in his annual report spoke of the good work done by the courts of the order in this state during the two years of his term, despite the fact that it had been a period of financial stringency. Three new courts have been instituted and all courts show an increase in membership since the beginning of his term. He prophesied a season of prosperity and growth during the next term, referring particularly to the fact that the membership of the courts in the state has increased nearly four hundred since the first of April this year.

The report recommended that remuneration be provided by the committee on mileage and per diem; that a salary be provided for the office of Grand Secretary and that the salary of the Grand Chief Ranger be increased from \$200 to \$250 per year.

The annual report of Grand Treasurer James J. Walsh of Meriden, Conn., showed that the finances of the organization were in better condition. The management fund receipts were \$22,764.37 while the expenses were \$18,651.31, leaving a balance of \$14,113.06. The fund receipts were \$1,409.40, expenses \$14,085.52, balance \$370.88. The fund receipts were \$1,409.40, expenses \$14,085.52, balance \$370.88. The fund receipts were \$1,409.40, expenses \$14,085.52, balance \$370.88.

Grand Secretary Thomas O'Laughlin of Naugatuck in his report stated that the management fund showed a loss of \$2,027.77 from the year 1907. He counted for this by the fact that the supreme court has raised the amount of per capita tax on subordinate courts from 12 to 15 cents per capita per year. The present membership of the organization, according to the report, is 29,938, a decrease of 540 since April 1, 1908. The total number of subordinate courts for the term ending December 31, 1908, was 270,175.53, a gain of \$23,725.25 over that of the previous term. Three new courts have been instituted during the last term; one at Canaan, one at Windsor and one at Parkville.

TROLLEYMEN CONFER ABOUT WAGE INCREASE

Connecticut Company Averse to Raising Wages While Cut In Pay of Salaried Men Remains in Force.

Representatives of the various divisions of trolley men in this state and Portchester, N. Y., met in an eight hour conference yesterday in New Haven with General Manager John E. Punderford and the various superintendents in the employ of the Connecticut company, this being the first conference of the kind called for a year and a half. C. W. Minnix of the general conference board, presented to the general manager a number of matters affecting employees of the company in many parts of the state and it is understood that that one of the questions to be taken to the road's officials is that of a general increase in wages through the state and in Portchester.

In connection with the proposition to have the road adopt a uniform wage scale came the request for a conference board to have the time limit for reaching the maximum wage reduced from five to three years all over the state. The kind called for a request for an increase of wages is alleged to be a surprise to the trolley management, as it comes
